SETUP + SPACE

Customer must provide a **safe, reasonably level and accessible setup area**. Outdoor spaces should be free of pet waste, standing water, fire ants and other hazards before arrival. Please make sure our team has reasonable access for unloading and loading equipment.

WEATHER + RESCHEDULING

For outdoor events, unsafe weather may require a change of plans. Rain, lightning, high winds, saturated ground or other unsafe conditions may prevent setup. When weather makes an outdoor setup unsafe, we will work with you to **reschedule the booking to an available date**. The booking retainer remains attached to the rescheduled event.

PLAY + SUPERVISION

The Build Box Adventures provides the play setup; **a responsible adult must actively supervise children at all times**. No throwing sand, rough play, food or drinks inside the play area, or removal of equipment from the designated setup.

CANCELLATIONS + DAMAGE

Booking retainers are non-refundable. Cancellations or requested date changes should be made as early as possible and are subject to availability. The booking customer is responsible for damage, loss or excessive cleaning caused by misuse beyond normal play.
